WHAT'S IT ALL ABOUT . . .

ZTI is proud to present tonight's "A SHOT IN THE ASS" as a gala evening of dancing to a live band and a memorable show . . . and all for the benefit of the Gay Community Services Center Free Medical Clinic, which is available to serve every member of our community. The clinic exists solely on your donations and, quite frankly, is in desperate financial need. For your nominal donation tonight, which is fully tax deductible, you have shared in the job of spending this unforgettable evening and have helped your FREE clinic carry on the work so desperately needed.

ZTI, one of the oldest social clubs in our community, feels a great sense of responsibility toward taking a positive step in the aiding and bringing together of all the members of our growing community. Thus, since all the profits from tonight's function will go to the GCSC Clinic, it is hoped that all of you from all walks of life will not only enjoy the evening's festivities but will come together in true brother and sisterhood. It is hoped that this evening you might find a little more understanding and comradeship with each other and can truly feel that not only has ZTI, but so have you given something significant toward bettering our community with this function. Let's face it: we have numbers, and no matter to what end, there is strength in numbers. ZTI would like nothing better than to have it said that this evening we have brought together our fellow brothers and sisters in harmony for an evening of fun, perhaps a little fantasy, good humor, and all for the benefit of the GCSC CLINIC.

So, ZTI thanks you for helping us help each other by attending. May you leave this evening with the same feeling of pride in just being you and having shared in a worthwhile cause; not only monetarily but in giving just a bit of yourself to others by caring and sharing as ZTI feels it has been our privilege in presenting this evening for ALL OF US.

GOOD NIGHT AND GOD BLESS!!!!

Fraternally,

*Alan Shields, President
*Ron Stone, Vice President
*Bill Rowles, Treasurer
