

PARENTS AND FRIENDS JOIN GAYS AND LESBIANS IN ACTION! OUTRAGE AND COMPASSION!

Sunday, Nov. 24th, 1:00 p.m. at
West Hollywood Park (San Vicente, North of Melrose)

...in response to Pete Wilson's veto of AB 101, rampant homophobia, the government's inefficient response to the HIV/AIDS epidemic and the irrational claims of so-called "traditional values" spokespeople.

- RALLY!
- MARCH!
- OUR "TRADITIONAL FAMILY VALUE" PICNIC!
- CANDLE LIGHT VIGIL WITH "MOTHERS OF AIDS PATIENTS" (M.A.P.)

Recognizing the importance of the Thanksgiving holiday as a time when families traditionally gather and express support for each other, P/FLAG feels compelled to show their love and anger regarding the unfair treatment of their friends and families. Gay and Lesbian organizations and individuals are encouraged to join and invite non-Gay supporters to demonstrate to the world that true family values are not within the realm of a handful of bigoted fear-mongers. (INVITE THE WHOLE FAMILY!)

☆☆ Participants should bring: signs and banners, picnic baskets with finger foods, blankets and candles (with clear plastic cups as wind-shields).

An open mike will be available during the picnic for Lesbians and Gays to offer testimonials to their family and friends in the form of poetry, prose, music or other performance. A cassette player and full sound system will be available.
