

Celebrating the Crone

CELEBRATING THE CRONE

A series of workshops for older Lesbians, where we have been making images about our experiences of Middle Age, and during which we will:

exchange ideas and share experiences, both good and bad, of Middle Age;

create images that explore the expectations and myths about Middle Age; and that reveal the realities of our experience;

and, finally, produce an event or ritual; a Wake, perhaps, a celebratory Rite of Passage, or an installation using the images and ideas we have produced.

THESE WORKSHOPS WILL NEED NO ESPECIAL ART OR OTHER SKILLS: JUST ENTHUSIASM AND CURIOSITY
