Impudence

Alicia Austin is one of America's finest fantasy and science fiction artists. Her work has been acclaimed, collected and published throughout the world. She has been honored with the Howard Award, the Balrog Award and the coveted Hugo Award.

Ms. Austin has received dozens of gallery and convention exhibits. She has published an anthology of her work and was recently chosen as a principal artist for "The Enchanted World," an important new publication series from Time-Life Books. In 1982, her work was added to the permanent collection of The New Britain Museum of American Art.
