

8-8  
Dear Bunny — I wish  
that this Birthday is one  
that brings you hope - and  
is one that you will enjoy  
with friends and people you  
love. I send my love and  
friendship + wishes for a good year.

We're going to have a  
full house in Oct. for the  
Gay Pride parade. ☺

My friends Jan and  
I are coming from Athens, Ohio and  
some friends of Thien (maybe)  
are coming. ~~for~~ Don't worry —  
we have lots of floor space  
+ plenty of cots and

sleeping bags + mattresses.

I don't think Elliott will be  
well enough to come but maybe  
Sydney will (a playwright friend  
of Elliott's + mine).

My month long job (9 - 4 p.m.)  
comes to a close the end of this  
week. I was working with Tony +  
5 other teachers with 40 kids doing  
an arts camp/project. It's been  
exhausting but I'll miss it as  
the kids were fun + I liked the  
team-work.

I'll go to N.Y.C. shortly after  
Aug 20th or thereabouts as  
Lisa will have her 2<sup>nd</sup> child —  
another girl. ☺ Yes — they
