

The following is a slightly altered version of a chain letter which has been tickling the funny-bones of quite a few people lately. Here it is adapted to apply to "us folks":

Dear Friend;

This chain letter was started in Hollywood in the hope of bringing relief and happiness to tired lesbians. Unlike most chain letters, this one does not cost you any money. Simply send a copy of this letter to five equally tired lesbian friends. Then bundle up your girl-friend and send her to the dyke at the top of the list. When your name comes to the top of the list, you will receive 17,178 women.

Have faith -- do not break the chain. One butch broke it and got her own fluff back.

Sincerely,

Diana Frederics

"Tess" Wheeler

Tommy Williams

Radclyffe Hall

Beverly Shaw

Stephen Gordon

Definition of Hollywood: A town where the traffic swishes past and vice-versa.
